

ABOUT FLASH PERU

Flash Peru is an ACN company, our parent company. Founded in the United States in 1993, ACN is a multinational telecommunications and essential services company with operations in 27 countries. ACN is our institutional brand, which represents us globally in front of our independent distributors, employees, strategic partners and suppliers. The ACN family consists of individual brands, serving thousands of customers around the world, but all with the mission of changing people's lives

In Peru, Flash is our trademark for mobile telephony and other services, the brand that thousands of customers recognize in the market. Flash is revolutionizing the way people get their service. We are simply changing the rules in the mobile industry.

Flash Servicios Perú S.R.L. is responsible for marketing the services offered by Flash under the multilevel and direct selling scheme and for managing the relationship with our independent distributors (Brand Leaders). On the other hand, it is responsible for the provision of Flash Mobile telecommunications services as a virtual mobile operator.

Under this agreement, the company focuses on guaranteeing operational excellence in different aspects of the business, offering a unique business opportunity for our Brand Leaders and an unparalleled service experience for our customers.
