HOW IS BUSINESS MADE?

That's how it works

Our official distributors offer **essential** mobile phone services to your contacts and, by acquiring customers, they generate income.

Relationship marketing
It is about marketing, in our case, services through people's social ties to obtain profits that allow them to improve their lives.

Brand Leaders (BL)
are official Flash representatives and distributors who build an independent business earning compensation and benefits.

Earnings
Our residual income and bonus of the month system allows Brand Leaders to bring new customers and distributors to Flash to earn money.

HOW DO WE SUPPORT YOU?

HOW DO WE SUPPORT YOU?

With tools to succeed

At Flash, every Brand Leader starts a business for their future in which they will work diligently to achieve their goals, but can always feel confident that they will have our full support along the way.

Virtual office
We call it Back Office. Here's EVERYTHING a Brand Leader needs to run their business.

Corporate videos
These are informational clips that help our Brand Leaders attract more people to the business, both customers and distributors.

training
They are presentations conducted by some national or international Flash and ACN leaders to train other Brand Leaders on the most relevant business topics.

Medium
For you and your clients, so that they can always resolve their doubts and concerns about the Flash business and service.

We don't use conventional marketing
We better give that money to the most powerful advertising force on the planet: YOU

"I had always sought to be free, to have time and money together. For years, I did many traditional businesses that gave me good income, but I could never enjoy it. Then I found ACN. The opportunity that led me to what I had not been able to, achieve: financial freedom."

¿CÓMO SE HACE NEGOCIO?

Así funciona

Nuestros distribuidores oficiales ofrecen **servicios esenciales** de telefonía móvil a sus contactos y, al conseguir clientes, generan ingresos.

Marketing de relaciones
Se trata de comercializar, en nuestro caso, servicios a través de los vínculos sociales de la gente para obtener ganancias que les permitan mejorar su vida.

Brand Leaders (BL)
Son representantes y distribuidores oficiales de Flash que construyen un negocio independiente por el que obtienen compensaciones y beneficios.

Ganancias
Nuestro sistema de ingresos residuales y bonos del mes permite que cuando los Brand Leaders traigan nuevos clientes y distribuidores a Flash ganen dinero.

¿CÓMO TE APOYAMOS?

Con herramientas para triunfar

En Flash, todo Brand Leader inicia un negocio para su porvenir en el que trabajará con esmero para alcanzar sus metas, pero siempre podrá sentirse seguro de que tendrá todo nuestro apoyo en el camino.

Oficina virtual
La llamamos Back Office. Aquí está TODO lo que un Brand Leader necesita para administrar su negocio.

Videos corporativos
Se trata de clips informativos que ayudan a nuestros Brand Leaders a atraer a más gente al negocio, tanto clientes como distribuidores.

Entrenamientos
Son presentaciones que dirigen algunos líderes nacionales o internacionales de Flash y ACN para capacitar a otros Brand Leaders sobre los temas más relevantes del negocio.

Soporte
Para ti y para tus clientes, para que siempre puedan resolver sus dudas e inquietudes en torno al negocio y al servicio Flash.

No usamos marketing convencional
Mejor le damos ese dinero a la fuerza publicitaria más poderosa del planeta: TÚ

"Trabajé 20 años en empresas 12 horas al día. Para tener libertad, monté un negocio que me absorbió durante 10 años. Cuando conocí ACN, supe que podía construir una pensión de jubilación de por vida; vendí mi empresa y, en 2 años y medio con Flash y ACN, mi vida cambió."
